Friday, 21.6.2024, from 6.30 a.m. - 7.30 a.m.

Horses must have valid FEI passports or valid ID showing:

Veterinary conditions:

- Equine Infectious Anemia - EIA test result, which must not be more than one year old,
- Influenza date of last vaccination against equine influenza (name and serial number of the vaccine), which must have been carried out no more than 6 months (+21 days) before arrival in Lipica in accordance with FEI rules,
- Rhinopneumonitis certificate of vaccination against EHV-1 (equine rhinopneumonitis) according to the manufacturer's instructions (at least 14 days after the basal vaccination or not more than 6 months after the last vaccination)

or for horses not vaccinated against EHV-1, confirmation of a negative PCR test for EHV-1 carried out on a sample taken not more than 120 hours before arrival at the competition,

and a declaration by the competitor/proxy of the health status of the horse, including the horse's body temperature record for the last three days prior to arrival at the competition

All required documentation will be checked by the organiser at the control point before the horses are unloaded. The identification documents and other documentation relating to the horses will be collected by the Veterinary Service at the time of unloading and at the time of the general veterinary inspection. All participants are reminded that without the required documentation and certificates, unloading of horses and access to the facilities and areas intended for the competition will not be allowed.

The printed form for the preparation of the competitor's declaration of the health of the horse is available on the KL and KZS websites.

Identification documents and other documentation related to the horses will be provided to you once all costs have been paid at the Secretariat before departure.

Only horses that will be boarded in the tournament stalls from the first day of the competition are allowed to compete in the competition. It is not possible for one-day competitors to take part in the competition without having their horses in the tournament stalls.

Participants are kindly requested to follow the tournament regulations:

- Parking of all vehicles at the tournament stables is only in designated areas.
- Driving any vehicle in the immediate area of the stud farm is strictly forbidden.
- Movement of horses outside the marked areas is not permitted.
